Thursday, October 30, 1952

New Minister Opens New School

The culmination of years of work and worry took place recently when the new High School here was officially opened and dedicated.

J. Golden Snow, chairman of the School Board, was Master of Ceremonies for this glad occasion and was joined on the platform by Mayor Taylor and other members of the School Board, the teachers, representatives of the contractors, officials from the Department of Education, including Mr. Olberg, the Minister of Education and two M.L.A.'s, E. H. Hinman, former School Inspector and L. C. Halmrast.

In his dedicatory prayer Pres. J. H. Walker said that the most powerful thing in the world was not the A or H bombs but the development of the minds of students and said that for real freedom and education was essential.

Mr. Snow paid tribute to the original members of the School Board and told of the planning necessary to fill the need for schools and the accompanying education facilities. He said that an education or any knowledge acquired cannot ever be taken away and extended an invitation to the public to inspect the new seat of learning. He praised the work of the teachers and students alike and told of the nine students who have won Governor-General Awards during the past eleven years and how the music of the school was under the very capable leadership of Mrs. Velma Redd who consistently trained winners in school festivals and other events.

Mayor Taylor stated that the men of the School Board had indeed shown foresight in the planning of the new building which was a credit to the community. He said that education was a prime requisite for good citizenship and suggested that it was more than co-incidence that so many Governor-General Medals had been won by local students. Mr. Taylor informed the large crowd present that he had asked Mr. Hicken for the secret of this success and had been told that, in the words of the principal himself, he "tells them what I'm going to tell them and then tell them again, think it over and tell them again and then some of them might get it."

In a lighter vein he told of how Mr. Jacobs ran the "work camp" at the school and had got the name of one Simpson mixed with that of one Sampson.

In conclusion Mr. Taylor said that there is nothing better to do than educate children and then offered official thanks on behalf of the town to all those who helped build up this part of the community.

Wm. A. Anderson, secretary of the School Board, told of the long time that the new school was in the discussion and hope stage and about the problems encountered even after the go ahead signal was received. There were three houses that had to be moved from the site and innumerable other things that required time and effort to be solved. Mr. Anderson gave all the facts and figures regarding the proposed cost of the new building and in brief here they are: The Opera House cost \$40,000 with the combination of the existing building and the addition to cost \$175,000. 20% of this was given as a gift by the Department of Education and the Department also made a loan of \$17,500 to be paid back in ten years with no interest charged. (cont. on insert page two)

Apostle Benson was the guest of President and Mrs. Walker over the week-end. His son Mark who accompanied him on this trip, visited Lella at the home of her parents, Mr. and Mrs. C. R. Wing.

Plans Going Ahead For Girls' Home

Hopes, plans and work are being carried on by the Y.W.M.I.A. of the Taylor Stake for the completion of a Girls Summer Home in Waterton Park where a beautiful site has been selected and applied for. So far nothing definite has been given from Ottawa but Superintendent Atkinson has informed the organization that he is still working on it and the Y.W.M.I.A. has expressed its heartfelt thanks for his efforts.

President J. H. Walker has given his hearty endorsement of the selected spot and the organization is very anxious to get going on fund raising so that if and when permission is granted from Ottawa work can be commenced as soon as possible. To help in this effort the Y.W.M.I.A. is sponsoring a Bazaar etc. on Friday, December 5th, at the Second Ward Recreation Hall and an invitation is extended to one and all to come and select your Christmas presents from the wide variety of good that will be sold. There will be a **Pantry Table and Luncheon** along with the Bazaar and things will get under way at 3 p.m. The ladies would like to see you there.

The students are being offered hot lunches at the new school these days with Mrs. Ellen Winkler in charge of the cafeteria.

Rotary Club Receives Thanks From The Philippines

T. Geo. Wood, chairman of the International Service Committee of the local Rotary Club, received a letter of acknowledgement and thanks for a gift of books for the public library in Dumaguete City. The Rotarians of that city are sponsoring the library project there, as they are here, and have at the present time three thousand volumes for its shelves.

Hands have joined across the Pacific to aid in the furtherance of international goodwill and understanding.

Marian Adams, Bride-Elect Feted

The Legion Hall was the setting for a miscellaneous Shower honoring Marian Adams, a November Bride-elect.

Nona Bourne was M. C. for the very enjoyable program which commenced with a piano solo by Margaret Jacobs. Following, Ruth Salmon's and Madge Fairbanks' vocal duet, a humorous skit was presented by Joan Jessop, Louella Larson and Jacky Thompson. A vocal solo was rendered by H'anayia Iwaasa after which Maybelle Anderson and Emma Dahl entertained with a piano duet followed by a Reading by Lucy Stevens.

Carol Heggie and Louella Larson assisted the honoree in opening and displaying the many lovely gifts.

The delightful lunch was served by Mrs. Larson, Mrs. Heggie, Jacky Thompson and Janet Anderson. Carol Heggie was in charge of the Guest Book.

Philip Rogers of Vancouver, President of the British Columbia Sugar Refining Company, and Ian Angus, administrator of the Ozama Dominion Republic called at the Raymond Sugar Factory during their Southern Alberta visit.

The annual canvass for the Canadian National Institute for the Blind has been completed with good results. All those who contribute to this effort in any way are to be thanked as it is felt that this project is a very worthy one.

Someone Loses

In this earthy scheme of things there is a definite balance of cause and effect in which all humans are affected. No matter what one person does touches another and what happens to one of us is felt by another. The best things in life cost dearly. They cost in sweat and in danger, in sacrifice, in vigilance. Sometimes they have to be paid for in blood. Maybe you don't pay this week, but someone does. When we divide up the responsibility and everyone does his share of paying for this good life our balance is healthy and happy.

Don't forget our Community Auction Sale on November 26th.

Mr. and Mrs. Bud Swinney (nee Ruth Graham) of Houston, Texas are very happy to announce the birth of a son, born on October 23rd.

Joy F. Dunyon, Supervisor of the Department of Education in Salt Lake visited the Seminars in Raymond and Magrath this week. Tuesday evening he met with the Taylor Stake and Alberta Stake Presidencies, Bill Nalder, and Ken Gibb, Raymond and Magrath's Seminary Teachers at the Gibb home or a Report Meeting.

The addition of two more highly skilled mechanics to the staff of the Karl Wilde garage brings his total staff to five. Albert Nichols and George Kokoski are the new men and come to Raymond from Pyramid Motors in Lethbridge where Mr. Nichols was shop foreman for ten of his fifteen year stay there. Mr. Kokoski spent five years with Breen Motors, Dodge, DeSoto distributors in Winnipeg before his four year stay at Pyramid. Karl, Mac Nishiyama and Grant Hall complete the staff.

The Stake Bee Hive Girls and Scouts enjoyed a very Spooky Evening at the Stake House on Friday. A Spook Alley, Fortune Telling, Games, Dancing, a Program and eats all played an important part in the evening's entertainment sponsored by the Stake Board under the over all direction of Edna Harker, Barbara McPhee and Roy Woolley.

Mr. and Mrs. Trockstead of Lethbridge were Sunday visitors at the home of Mr. and Mrs. Charles Innes.

Fred Wendell and Lee Bullock made a quick trip to Salt Lake over the week-end to get Mrs. Wendell who had been visiting in that city.

Venita Vance travelled as far as Logan with them where she visited Homer LeBaron.

Hard-top For Welling-Cradock In '53

Travellers on the Welling-Cradock road will have the distinct pleasure next year of driving on a nice, new hardsurfaced highway. It was recently stated, definitely, by L. C. Halmrast, M.L.A. that this road would be included in the 1953 hardsurfacing schedule. So come a year from now the people of this area will be able to go almost anywhere on a real good road and while travelling this section of the road they should give credit where credit is due and offer their thanks to the Road Committee of the Chamber of Commerce.

Mr. and Mrs. Bruce Galbraith entertained at a Family Dinner Party over the week-end honoring her mother Mrs. Libby Heninger who left for Salt Lake the following Thursday, and Mr. and Mrs. Art Wilde (nee Tilly Boysen). Mrs. Heninger and Mrs. Boysen were presented with little dainty rose corsages.

Other guests were Mr. and Mrs. Willard Heninger of Foremost, Mr. and Mrs. Ray Heninger and John of Wrentham, Mr. and Mrs. Mark Grant of Lethbridge, Mrs. Barbara Ellis of La Fleche Saskatchewan, and Mr. and Mrs. Andrew Walton.

After the sumptuous turkey dinner pictures were taken and games played with Mrs. Joy Heninger winning the prize.

Town of Raymond

Notice is hereby given that under the Provision of the Tax Recovery Act, the following lands will be offered for sale by public auction to be held in the office of the Secretary-Treasurer of the Town of Raymond, at Raymond, Alberta, on Monday, November 17th, at 2 o'clock in the afternoon:

LOTS	BLOCK	PLAN
N $\frac{1}{2}$ of portion lying to West of East 165' thereof		
4	32	2039 I
W $\frac{1}{2}$ 6 & 7	37	2039 I
1	65	2039 I
1	183	4489 J
N. 50' 6	185	4489 J
3 to 10 incl.	195	4489 J

Each parcel will be offered for sale subject to the approval of the Minister of Municipal Affairs, and subject to a reserve bid and to the reservation and conditions contained in the existing certificates of title.

Terms cash, unless otherwise arranged.

Redemption may be effected by payment of all arrears of taxes and costs, at any time prior to the sale.

Dated at Raymond, Alberta, this 4th day of September, 1952.

W. L. Jones,

Secretary-Treasurer

Air Cadets Organized Here

The final preparations are now underway for the forming of an Air Cadet Squadron in Raymond with members of the civilian committee chosen to represent a cross-section of the people of the community. Those chosen for this committee are:

Shower Held Honoring Mrs. Jeane Iwaasa

A lovely Shower was held in the Second Ward Recreation Hall recently for Mrs. Jeane Iwaasa who recently was able to join her husband in Raymond after a year and a half separation.

Jeane became acquainted with his future wife through her father who was principal of the School where missionary meetings were held. They were married in Tokyo by President V. G. Moss of the L.D.S. Japanese mission after Jeane completed his missionary work in the land of his parents' birth.

After the passing of many months following his appeal to Ottawa for permission to bring his wife home, Jeane was finally able to fly to Japan to return with Mrs. Iwaasa last month.

The guests at the Shower were asked to sign the Guest Book by H'anayia Iwaasa while Mrs. Sally Moriyama arranged the numerous gifts received. (cont. on insert page two)

Mrs. Joyce Thompson and family of Magrath visited at the home of her parents, Mr. and Mrs. L. B. Duncombe last week.

Legion Ladies Hold Successful Bazaar And Tea

About \$100.00 was realized from the Ladies Auxiliary's annual Bazaar and Tea held in the Legion Hall recently. This money will be used for new drapes for the Hall.

Hennie Houghen and Eileen Phillips presided at the Sewing Table and Alice Court and Jennie Allen were in charge of the cooking tables; both tables being attractively decorated with small bowls of pansies and daisies. Tea was served by Fern Thompson and Louise Winters while Bernice McClain, Dorothy Roberts, Eileen Phillips, Bertha Adams, Velfa Adams and Margaret Heggie assisted in behind the scenes in the kitchen.

The four lucky people that day were Mrs. Lizzy McLean who won the Quilt that was raffled; Art Robinson who won the pillow slips; Dan Davies who won an apron and Hennie Houghen who held the ticket drawn for the Door Prize which was a cushion.

Mr. and Mrs. Lloyd Dahl, accompanied by Mr. and Mrs. Joe Kirkham, motored to Picture Butte on Sunday recently to visit the ladies' parents, Mr. and Mrs. Rudolph Tollestrup.

Mr. and Mrs. Tollestrup are living in Picture Butte during the Factory Campaign.

Dr. and Mrs. Harlan Taylor were hosts to their Study Class Sunday evening, at which Bill Nalder capably presented the lesson from the Book of Mathew.

Raisin cookies, potatoes, carrots, banana peel and other good and nutritious food were used by some amateur scientists in the preparation of a concoction loosely called "milk shakes."

The others not of scientific turn of mind prepared the "real thing" from the plentiful and varied supply of syrups, ice cream and bananas.

Everyone had a lot of fun from both the preparation and consumption of the drinks.

Lella Wing was a special guest.

Commanding Officer - Bob Zobell.
Adjutant Officer - Deb Thompson (Lions)

Equipment Officer - Athol Cooper.
Chairman of the Civilian Committee - Munee Takeda (JCCA).

Secretary-Treasurer - Geo. Swedish (Lions).

Accommodation - W. Meldrum (School Board).

Squadron Accommodations - Paul Woolley and Bill Mehew (Legion).

Finance - James Grant (Rotary).

Publicity - T. Hirónaka (JCCA).

Enrollment - Father Sullivan.

Pt. Lt. Ferguson who is in charge of the Air Cadet program in Alberta, was down from Calgary recently to interview interested candidates at the schools and was very well received with a great deal of enthusiasm shown both by the boys and the committee. There are at the present time about seventy-seven interested boys and it is hoped that one hundred may become members of the organization.

Pt. Lt. Ferguson stated that there is absolutely no obligation made regarding military training by joining the Air Cadets and said that the training was available to boys who were thirteen now or who will be fourteen early in 1953 and those up to and including nineteen years of age. Boys wishing to enroll can do so by contacting the Commanding Officer.

The committee hope to be ready to begin instruction in the very near future.

Mr. and Mrs. Paul Redd plan to leave shortly for Arizona where they will do Temple work this winter.

Their lovely home has been purchased by Mr. and Mrs. Heber Allan, who have now moved into it. However, their friends and neighbors will be happy to know that the Redds plan to build a new home next Spring between their former one and T. W. Meldrums.

Mrs. Connie Cox, Recent Bride, Honored

Mrs. Gary Cox (nee Connie Mehew) was Guest of Honor at a shower in the Stake House sponsored by the Fourth Ward Junior Gleaners. Guests were greeted by Connie and her mother, Mrs. John Mehew, while Margory Kinsey presided at the Guest Book. Venita Vance, Nadine Meldrum, La Dean McBride, Inez Christensen, Shirlene Melchin and Pauline Jones received and arranged the lovely gifts.

Norma Meldrum as Master of Ceremonies introduced the following program: A reading entitled 'We've' was given by Betty Evans followed by two solos by Evelyn Melchin 'Love Sends A Little Gift Of Roses' and 'I'll Walk Beside You'. Maybelle Anderson's piano solo preceded two readings by Melba Mehew, 'Husbands, Heavens Gift to Women' and 'Homemakers'.

Servetours for the lovely lunch were Nadine Meldrum, Mary Snow, Evelyn Heggie, Janet Cook, Norma Meldrum, Charlene Sommerfeldt and Mary Winkler. Those assisting in the kitchen were Elizabeth King, LaRosa Kirkham, Jean Christensen, Dorothy Jones, Melba Mehew, Norma Zobell and Myrtle Mehew.

At the conclusion of the evening Connie graciously thanked those present for their kindness in helping and for the many gifts.

SHORT TERM POLITICS

Making the job of wise municipal government extraordinary difficult are the short terms, one or two years, for which most public servants in this field are elected. With the one-year term certainly, a man hardly finishes getting elected before he has to start his next election campaign, says The Financial Post.

And how can wise and consequential policies, essential to sound municipal development, be achieved when groups of men aren't given enough time to get them achieved? Fortunately, in most places, there is a basic group of men who reappear in office after most elections. These people, often carelessly maligned, are important not only because they bring actual experience to their office, but also they give a measure of continuity to policy.

Nevertheless, the short-term gospel has been a dubious gospel. How would the Dominion Government or a business be run on such a basis, asks The Post.

The Orvin Hicken family were in charge of the "Meet Me At Mutual Program" Thursday evening with Mr. Hicken speaking on the topic "How MIA Unites My Family Spiritually." Mrs. Hicken spoke on "How MIA Helps Build Character In My Children" after which Anne rendered "My Prayer" followed by Jack's talk on "My Father Sets A Good Example." Jane concluded with "Goodnight Song."

In the Third Ward Bishop Dahl spoke on the two topics followed by a piano selection by Carol. Mrs. Dahl gave a reading on "Prayer" after which a musical number was rendered by Marie, playing the piano; Bernice playing the violin and Larry the saxophone.

Mr. and Mrs. Chuck Romeril visited the home of her parents Mr. and Mrs. D. L. Paxman on Sunday.

Mr. and Mrs. Romeril have moved to Cardston for the winter where they have an apartment in his parents home.

GOVERNMENT BUSINESS

QUESTION: What is your share of Alberta's Agricultural wealth?

ANSWER: Approximately ONE THOUSAND DOLLARS for each man, woman and child in the province.

AGRICULTURE, our basic industry, brought \$758,000,000 to the people in 1951.

That is why your government is so concerned about the proper use and care of the soil and the welfare of the farmers. Outstanding achievements in the past few years, brought about by the Alberta Department of Agriculture include:

- A ten-fold expansion in the production of forage crops for fodder and seed.
- Assistance in the establishment of municipal seed cleaning plants.
- Determined rat extermination, coyote control and weed control programs.
- A free planting program with annual plantings of 2,000,000 trees.
- Livestock assistance to farmers for the purchase of purebred bulls, now in excess of 5,500; placing of 2,608 boars, 519 rams, and distribution of 1,200 dairy heifer calves to junior dairy calf clubs.
- Assistance to feeder associations which to date have finished a total of 141,481 head of cattle and 407,502 sheep.
- Establishment of Dairy Cattle inspection, instruction and cow testing service to help increase the volume of fluid milk, raise the quality and direct attention to the economy of the industry.

GOVERNMENT OF THE PROVINCE OF ALBERTA

Announces the fourth Annual

MASTER FARM FAMILY AWARD

for 1952 to the following

E. R. Lewis Family Stony Plain	John Lambert Family Manning
John Skrypsky Family Mundare	J. H. Schmaltz Family Beiseker
Jesse Cole Family Clive	

The Master Farm Family Award is recognized by an award of \$1,000.00, an engraved plaque and a name plate for the farm entrance.

The purpose of the Master Farm Award program is to find and honor those who have achieved notable progress in farming, home-making and citizenship, and who, by their example, are encouraging interest in farming as a way of life. The Department of Agriculture is indeed proud and farm citizens of Alberta as revealed by the Master Farm gratified with the high standard of attainment among the Family program.

Hon. David Ure, Minister - O. S. Longman, Dep. Minister

"My son has chosen banking"

When a bank manager retired last year, he wrote his General Manager to tell why he was proud his son also had chosen a banking career:

"I shall always recall my banking days with pleasure and I cannot think of any other occupation that gives one a greater opportunity to meet people and form lasting friendships. I have been privileged to serve the bank in three provinces... That my son has chosen banking is also a great satisfaction to me. He is most anxious to make good on his own account."

Any young man on the lookout for an interesting and worthwhile career—for opportunities to grow and get ahead—should take a look at banking. Have a talk with the bank manager in your neighborhood branch. It may well prove an important turning point in your life.

Notes From Your District Home Economist

MISS LILA ENGBERG

4-H CLUBS

Only recently our Canadian Farm and Home Clubs adopted the name 4-H—a name which has been used for years in other countries. In the United States the 4-H Club Pledge is:—I pledge my HEAD to clearer thinking; my HEART to greater loyalty; my HANDS to larger service, and my HEALTH to better living, for my club, my community, and my country.

In Alberta 4-H Winter Projects for girls—Clothing, Home Decoration and Foods—should be started soon. The T. Eaton Company awards a prize each year to the top girl in every Club in the province. Last year the winners of those awards were, Joyce Brown, Lethbridge Clothing Club; Shirley Bauchman, Warner Clothing Club; Rosella Schlachter, Granlea, Conquer-ville Club; Twila Davidson, Glenwood Clothing Club.

These girls were chosen as award winners on the following basis: project work, regularity of attendance, co-operation, sense of responsibility and ability in leadership. Let's hope they will carry on with their 4-H Club work this year and "Make the Best Better."

Have you trouble sewing nylon?

There is no need to pre-shrink nylon fabric before cutting, but if the selvages are tight, slit them at intervals. Nylon is so strong that good sharp scissors and fine sharp pins help in cutting and assembling. If you have a choice between cutting the gar-

ment on the straight or on the bias—choose the bias lay out for ease in stitching and a smooth seam.

Nylon fabrics may be sewn with any fine thread—nylon, silk or mercerized cotton. If you use nylon thread your seams will be stronger. Use it in both needle and bobbin. Practice stitching on some scrap of material first—with a looser tension in both needle and bobbin so the thread will not stretch. Use a fine needle and be sure it's sharp. This will help prevent puckers. A size 11 or even a size 9 on a Singer machine will work better on a tight weave.

The nylon fabric should be held firmly as it goes under the needle. Stitching seams on tissue paper often helps to overcome puckering. The tissue paper is easily pulled off after stitching. Better seams will generally result when stitches are larger than those used on other fabrics—fewer stitches per inch. The strength of nylon fabric and thread allows you to do this.

Raw edges of woven nylon fabrics will ravel and a suitable seam finish should be used. When you are sewing nylon, press as you go as is important as it is when you sew other fabrics. Use a moderate iron.

There are many new nylon fabrics on the market—dimities, crepes, gabardines, denims and tricots. These will surely help fill your sewing needs.

Look for next week's column for news of a Leadership Training Course.

OVERDUE

Have You Purchased Your Radio Licence

The obtaining of new Radio Receiving Licence is mandatory on April 1 or as soon thereafter as possible. Under the Radio Act, 1938, the Department of Transport is not only required to collect the licence fee from all radio owners but may prosecute where necessary to enforce the Act.

Warning is given that investigations and prosecutions have already commenced in cases where Radio Receiving Licences are overdue through neglect, misunderstanding or willful intent.
